6 inserting:

7 Sec. _____. Section 257.11, subsection 5, paragraph a,
8 subparagraph (1), Code 2018, is amended to read as follows:

9 (1) In order to provide additional funding to increase
10 student opportunities and redirect more resources to student
11 programming for school districts that share operational
12 functions, a district that shares with a political subdivision
13 one or more operational functions of a curriculum director,
14 master social worker, independent social worker, or school
15 counselor, or one or more operational functions in the areas
16 of superintendent management, business management, human
17 resources, transportation, or operation and maintenance for at
18 least twenty percent of the school year shall be assigned a
19 supplementary weighting for each shared operational function.
20 A school district that shares an operational function in
21 the area of superintendent management shall be assigned a
22 supplementary weighting of eight pupils for the function. A
23 school district that shares an operational function in the area
24 of business management, human resources, transportation, or
25 operation and maintenance shall be assigned a supplementary
26 weighting of five pupils for the function. A school district
27 that shares the operational functions of a curriculum director,
28 a master social worker or an independent social worker licensed
29 under chapters 147 and 154C, or a school counselor shall be
30 assigned a supplementary weighting of three pupils for the
31 function. The additional weighting shall be assigned for
32 each discrete operational function shared. However, a school
33 district may receive the additional weighting under this
34 subsection for sharing the services of an individual with a
35 political subdivision even if the type of operational function

1 performed by the individual for the school district and the
2 type of operational function performed by the individual
3 for the political subdivision are not the same operational
4 function, so long as both operational functions are eligible
5 for weighting under [this subsection](#). In such case, the school
6 district shall be assigned the additional weighting for the
7 type of operational function that the individual performs for
8 the school district, and the school district shall not receive
9 additional weighting for any other function performed by the
10 individual. The operational function sharing arrangement does
11 not need to be a newly implemented sharing arrangement to
12 receive supplementary weighting under [this subsection](#).
